### Radio

As we've mentioned before that we are on the air from Riga, Latvia from a real radio station. It is being picked up even from the northern parts of Finland. This is an actual recording from somebody from northern Finland that is listening in. This is what he wrote to the Radio Station,

*"I heard and observed your program. It is so far away and clearly audible. In this letter I am sending the recording from north Finland."*

Here is a short letter from a man from Latvia.

*"I am Marks and writing to you from Latvia. I read in [harvestukraine.org](http://harvestukraine.org) about your project to translate the Bible from KJV to Russian tongue. I am glad that you understood that necessity and started this big job.*

*I would like to know more about the progress and if it will be available to the general public? For example, in e-bible format or like a book. Because here in Latvia are many Russian speaking people and I want to reach them with the true Word of God.*

*Also, we commenced the same task in Latvian language, because there is no real translation into Latvian."*

### Couriers for Christ

We'd like to thank **Couriers for Christ** for coming to Kiev. Within a ten-day period about **80,000**

Johns and Romans (with a plan of salvation) were passed out in two different cities, Kiev and Borispol, the airport city (**pop.** 70-80,000). For the three different evangelistic meetings that were held about 85 people showed up. In Borispol two adults came forward to make a profession of faith. Since those meetings we are now holding Bible studies in Borispol. We found a good place, a conference hall just one block from the main street in Borispol. It is easy to get to for everybody in the city. We've got people attending and hope to have the Bibles studies eventually turn into 'services' of a local church. Please put some prayer on that. We'd like to start a new church. One of the men (Peter) that has been attending decided to start taking the discipleship, training lessons. So now he's 'plugged in.'

Dima (left) came forward at the invitation for salvation shown here receiving a free Bible, the **Russian translation of the King James Bible.**

Back in Kiev, an elderly lady that made the evangelistic meeting in Kiev said she lives close to our region. She came to church the following Sunday and came forward at the invitation and made a profession of faith in the Lord. Since then she has been coming out regularly. She decided to start our correspondence training lessons also. These lessons help converts to get grounded in the word of God. Also, it helps us to discern more or less where these folks are at spiritually. So, we are thankful for God giving us souls for Christ's sake and more people to help grow in the Lord.

We'd like to thank **Bearing Precious Seed** for printing **10,000** copies of the **Russian translation of the King James Bible**. Not only that. Bearing Precious Seed printed about 125,000 Johns and Romans. We're going to be passing them out for quite some time that souls would be saved - **"Cast thy bread upon the waters: for thou shalt find it after many days."** (Eccl.11:1)

Not only that. Recently a man, Slavic (below, holding Bible with both hands) received a Johns and Romans near a Metro (underground train transit system).

If that weren't enough, Mikhail, (second from left) was just recently saved. Actually, I was holding Bible studies for their 14-year-old son. His mother, Vikka, (far left) was listening in and invited her *unsaved* husband to join our Bible study. He got SAVED. They came to church together on the last Sunday of September. They live 2 ½ hour south of Kiev. Now we're holding Bible studies by Skype with the whole family. What a blessing!

*Please pray that the Lord will continue to give us men that we can fulfill 2 Timothy 2:2 – “And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also.”*
