

the ALBERT FAMILY IN WALES

MINISTRY UPDATE FROM PRESTATYN WALES

April 2020

Amy placed her faith in Jesus! She had many questions and one night during Bible study she realized she needed to place her faith in Jesus and prayed for Jesus to save her. Shortly after was when all the Covid-19 stuff began to happen. Mary had been discipling with Naomi and was going to begin discipleship with Amy, but all the self isolation has made discipleship difficult. Circumstances in their homes don't allow discipleship through face to face video; so Mary is getting creative and recording videos that they can watch as they are able. **Pray for Naomi and Amy to grow in the Lord.**

Just like everyone, we are having to change the way that we reach our people. We have been recording our services and uploading them to our website for our Sunday service. For our Thursday evening Bible study we are using an app called Zoom. It allows us to have face to face interaction. This has been a huge blessing to our people.

We are also having our weekly men's prayer time via Zoom. Our people are embracing technology, and I believe this will allow us to use technology more productively in the future. We're praying for this time to pass quickly and to get back to normal as soon as possible. We also know that God is at work through this time in each of us. We are praying for a revival of souls! I want to thank everyone personally that has been praying for our family and ministry here in Wales. I also want to thank everyone that gives so we can be here in Wales. We are in an uncertain time, but we know God is in control. **Without your sacrifices we couldn't be here as the hands and feet of Jesus.** If we can be a blessing to your church by hosting us for missions emphasis or recording a message for a service let us know. We are praying for you and cannot express how honored we are to serve here in Wales on your behalf.
