Pilot and Siela Nhap **JAN/FEB 2020**
 Sharing the gospel of Jesus Christ in the Kingdom of Cambodia

SO MANY BLESSINGS!

Brethren in Christ,

As many of you are aware, we here in Cambodia were blessed recently by the visit of eight people sponsored by Huerfano Community Bible Church, based in Walsenburg, CO. Together, we had the opportunity to visit several of the ministries in our little corner of southeast Asia, and though there were often barriers in culture and language, the power of Christ that links believers everywhere was evident in the love and joy that we all shared. Where we are weak, He is truly strong!

Due to the generosity of HCBC, we were able to take much needed medical supplies, eyeglasses and water filters to some of the churches in the provinces. In many cases, people who were not church members heard about the supplies we were bringing and came. Though we were only able to provide some temporary relief to the situations and ailments found in the provinces, it gave an opportunity for the Gospel, and we know that it has and will continue to have an eternal effect. Additionally, baptisms were performed at almost all of these locations, and what bright, joyous moments they were! In one instance, fifty children took turns wading through the muddied Mekong River to be baptized.

Our group also had the chance to attend the opening ceremony for this year's season of youth camps at the Highlands Cambodia facility. On this opening night alone, around five-hundred youth professed their faith in Jesus Christ as their Savior. We pray that this is just a taste of a fruitful harvest at Highlands, and humbly ask for your faithful prayers for both the staff of this camp and the youth that will pass through its doors over the next several months.

Pastor Rick Dunn and his team joined the regular Sunday Service at our church in both songs and message, and at the end of the service an altar call was made and around twenty-five hands were raised in profession of faith. Praise God! Again, we were able to distribute medical supplies and eyeglasses, which was an enormous blessing to many folks in need.

Finally, though perhaps most importantly, we were able to gather much-needed material for the child- sponsorship program that will soon be launched through Open Arms, a newly-established non-profit. This will help greatly in covering the costs of our children's home in Phnom Penh and ensure that the ministry will both grow and continue to provide for the physical and spiritual needs of the children that God has entrusted to our care. Additionally, and again through generous giving, we were able to take all of the kids to the water park for play and pizza. This is truly a rare treat for them, and they ended the day tired, joyous, and grateful.

We continue to be grateful for your dedicated support and prayers for our ministries here. We hope that this visit assures our brothers overseas that the Gospel is continuing to root itself in the hearts of people who have sat so long in darkness, and gives you all encouragement that your participation is vital in our efforts to bring Jesus Christ to the people of Cambodia.

In Christ,

Pilot and Siela Nhap

THANK YOU SO MUCH FOR YOUR SUPPORT
AND MAY GOD RICHLY BLESS YOU!
