## **MINISTRY UPDATE FROM PRESTATYN WALES**

**January 2021**

Happy New Year! Every new year brings new hope and excitement. With 2020 in the past, we begin to focus on 2021. We are excited to have finished the book of Revelation in our midweek Bible study. We started it just after lockdown began and have gone through it verse by verse. We had people from all over the UK as well as an occasional person from the USA. Just this week we had another new attender from Switzerland. This is one ministry that has steadily grown over the year. With the lockdowns and isolation our Bible study has been a platform for people to connect with other believers and has been a platform for us to stand in for people in the UK that don't have a church in their community. We have such a diverse group of people all with one goal, to learn more about Jesus! Often after Bible study we will just fellowship for hours. This has been one of the biggest blessings to have come from covid for us! Please continue to pray for our midweek Bible study and for those we reach each week.

Greg is also still recording his Sunday messages for our church in Wales. The community center has been closed since March of last year, and our people are wanting the vaccine to be more readily distributed before they are comfortable to return to in-person meetings. Wales is also now on their third or fourth lockdown (we have lost count). This latest lockdown started right before Christmas and the government is not promising an end to it any time soon.

We are also excited to be able to help our sending church with their teens while we are back in the states. Currently our church is without a youth pastor so we've been able to fill the void. Pray that our church will be able to find the right person for the position.

We can never thank you enough for your prayers and financial support.

2 Thessalonians 3:1  
Finally, brethren, pray for us, that  
the word of the Lord may have free  
course, and be glorified, even as it  
is with you:
