

Return to Ukraine

This letter is going out just before our return trip to Ukraine so, Lord willing we'll touch base with you concerning the work in Ukraine in our next prayer letter. We are planning to fly out of Chicago, O'Hare airport at 4 pm Wednesday, August 5th. It's an 8-hour flight to Frankfurt, Germany. We've got a 5-hour layover. Then a 2-hour flight to Kiev.

Please pray that we'll get up, over and down safely to our destination, and that we won't get stuck in Frankfurt because of the virus thing going on.

Bibles going out

The Lord continues to bless us with the opportunity to send out many of the Russian Translation of the King James Bible. Some have been sent to places like Beijing, China, and Kansas City, Kansas, Russia and Pensacola, FL.

Here is a testimony from a brother, David, living in the States,

"I come from a Russian family...I later discovered that the Russian Synodal Translation was very corrupt in many places. Specifically the important areas that contribute to revelation and spiritual growth. Knowing this truth and realizing the gravity of it, I was very heartbroken...As I continued my studies, God introduced me to Dr. Peter Ruckman. And in following much of his work and studies, purchasing his books, I stumbled or better yet was "led of the Spirit" upon a new complete Russian King James Translation presented online in the Bible Baptist Bookstore. After seeing some images of the most evident and obvious chapter that being "Psalms", I came to realize that this translation in all actuality, more accurately matched the truth in that of the perfection of the Authorized 1611 English King James Bible. To my surprise and immense desire of wanting to own this most incredible truth in my first language, with HASTE, I immediately went into a research frenzy. In discovering the origin of its translation along with its most incredible translators, Specifically the Church and my brother in Christ Perry Demopoulos — I am very pleased and blessed to have ordered multiple copies following my first trial order."

Report of the Russian Translation of the KJB going out

The Lord continues to bless us with the great opportunity to get this translation out. David, my son in law, again gave me a report that within the last month, **29** leather-bound Bibles were sold; the paperback New Testaments – **51**; The Hardcover – **105**; and Johns and Romans **3,705**.

We are covering "**Gog**" and "**Magog**" territories as the Lord allows. What a tremendous blessing. And to know that our supporters are in on this also is a great encouragement – **Ye also helping together by prayer for us, that for the gift bestowed upon us by the means of many persons thanks may be given by many on our behalf.** (2 Cor. 1:11)

Added blessing along the way

Along with presenting the work and needs in Ukraine, *again*, God had given me the opportunity to teach on the "Sibboleths" of Music of the Laodicean period of the Church Age using a 15-foot colored chart on music from eternity past to eternity future. I am very thankful for the Lord opening up those doors to teach something about moral and immoral rhythms, the differences between bluegrass and country, and when a musician starts going 'honky-tonk' on

you, some things to avoid in ballads, when singers start performing rather than ministering, and such-like things.

We hope to have available a disc of five hours of video recording on this subject. Some men at Anchor Baptist, (Dayton, OH.) are working on the editing.

John Wesley

The state of Indiana is called “The Crossroads of America”, and the city of Schererville, (pop. 29,000) is called the “Crossroads of Indiana.” With Pastor Tom McDonnell of First Baptist Church, we preached at **7:00 o’clock** in the morning every Wednesday and sometimes on Thursday at a busy street corner, route 30 and 41. It was John Wesley that preached early in the morning and recorded that in his Journal, “*As soon as I set foot in Georgia, I began preaching at **five in the morning**; and every communicant, that is, every serious person in the town, constantly attended throughout the year:*”

We had at least 10-20 people with their windows down and heard the gospel every time we preached early in the morning. You cannot get that many unsaved folks in church these days on any given Sunday.

We had a lot of people give us the thumbs up and also honked their horns, which in the years passed hadn’t happened as often. It is such a blessing to proclaim the gospel to sinners, no matter where you are at.

“Fire” At the center square in the city of Crown Point, IN. (pop. 27,000), we preached every Saturday afternoon. On one Saturday we were preaching on “*fire.*” Right at that very moment 3 firetrucks came out and 3 police cars went right by us very slowly, twice circling the square. It must have been some kind of a rehearsal for something or other. All of them had their sirens blasting away. They were extremely LOUD!

The timing was PERFECT! The people at the square were wondering what in the world is going on. Here I was preaching on the **Only Fireman** that can save a sinner from the burning flames of hell fire. What a blessing for the ‘sound effects’ to accompany us during the preaching.
