Sharing the gospel of Jesus Christ in the Kingdom of Cambodia

STILL LOCKED DOWN BUT THANKFUL

Brothers and sisters in Christ,

Here at the Children’s Home in Phnom Penh we are so grateful for the financial support you send our way. I know that the Lord is working through you all to keep us supplied with food and the resources to home school all the kids. We are only allowed out to purchase food but even that is restricted to 2 or 3 people at a time. The Chinese have been testing their Covid vaccine on the Cambodian people and many have died or gotten sick after they were vaccinated. I have decided that we will not take the vaccine until we are forced to do so. All the kids are well and so is Selah and myself. Your prayers are so important!

Pastor Kim Heng, one of the older pastors out in the province, is sick and not doing well. I have sent him some money to help as he is unable to work for his food. Please keep him in your prayers.

We have decided to wait on purchasing another vehicle until this lockdown is over since we can’t go anywhere. The kids are in need of some tablets for the homeschooling. We need about 10 of them and they sell for \$360.00 each. This is a real need so we are trusting the Lord to provide for them. We already have donors lined up to pay for 3 of them!

We continue to spread the gospel whenever we can. The camp is still closed but may reopen in May. Praying that it will!

Pastor Heng

We are very thankful for the support provided for the Children's Home through the Open Arms sponsorship program. We currently have 33 kids and 19 of them now have a sponsor! Praise God! There are still 14 kids eligible for sponsorship at \$70.00 per month. If you or someone you know would like to become a sponsor please visit the Open Arms Resource Center website at the new address www.huerfanoproject.com. Then go to the **sponsorship** tab and click on **Cambodian Children's Home**.

We are working on improving the way that kids can communicate with their sponsors. The mobile app called "Wire" has been working very well. Please let Rick Dunn or Mitchell Wardell know if you would like to install this on your phone. They can be emailed at openarms81055@gmail.com.

May the Lord continue to protect and guide us all during these last days. He is faithful!

THANK YOU SO MUCH FOR YOUR SUPPORT
AND MAY GOD RICHLY BLESS YOU!
