

# the ALBERT FAMILY IN WALES

## MINISTRY UPDATE FROM PRESTATYN WALES

Aug & Sept 2019

We are constantly amazed at how good God is to us. A move was the furthest thing on our minds for this summer, but God had different plans. When we moved last year, there was only one house available, and God worked out everything for us to move in. This year we kept seeing a house that was for rent, and it appeared to be a longer term rental. We decided we had nothing to lose and went and looked at it. To our amazement, the house was larger than our house and yet cheaper monthly. We prayed about it and God worked out the details. We are now in our new house! After two years of prayer, the Lord has opened an opportunity for me to become the chaplain for our local football (soccer) team. This has opened an opportunity to minister to people that may never come to the church. The club has been very responsive to me being there. Pray for opportunities to minister to the players and fans.

Bible Wrapping

We had the opportunity to help friends with an outreach in their town, and we are doing a combined outreach to a community that is between both of our works. We hosted our first class last Thursday and had a lady from the community attend. We're praying for more people to attend in the coming weeks. We are also wrapping New Testaments to give out this Christmas. Our goal is to give out 1200! Pray that each Bible will be opened and draw people to the Lord! We are also getting ready to renew our visas. This is a very intense and costly process. After this renewal in two years we can apply for Indefinite Leave to Remain. Pray that the process will go smooth and that we can raise the funds that we need to obtain our visas. We need to raise \$10,000. We will begin the process next month. If you can help financially we would appreciate it. If you will pray with us as we go through this process we would appreciate that as well. Thank you for your love and prayers!!

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:
