

BILL & CINDY HAAS

Native American/First Nations Mission Nov. 2019

B.U.I.L.D.

I just returned from after co-teaching on the Pine Ridge Reservation with a pastor on the book of 1 Corinthians. Afterwards, our students went on to the Rosebud Reservation. So far, with still two days left, at least seven people have come to Christ! Pray for them as they still have Saturday and Sunday to testify and preach. Rosebud is home to three of our students.

The Gathering @ Bemidji

The church plant in Bemidji continues reaching out into the community. Bemidji is the hub of three Ojibwe reservations: Red Lake, Leech Lake, and White Earth. Pray for this very strategic ministry.

Prayer Requests

- 1. Increased financial support**
- 2. New student Kirk Turtle from Pikangikum, Ontario**
- 3. Pray for us as we raise two grandsons.**
- 4. New Bible student: Trevor Keyper- Pikangikum, Ontario**
- 5. Pray for our Bible students as they return home for Christmas break. They will be the target of the fiery darts of the wicked while they're home.**
