

Dear Praying Friends,

Honestly, I am so tired of hearing about the coronavirus. I think that we are all tired of the constant bombardment of bad news. However, even with all the different levels of trauma which we have all experienced during these trying times, there is still good news to be given and received, and that good news is that Christ came into the world to save the chiefest of sinners.

Our radio stations have proven to be strategically placed where they are most needed – right in the middle of millions of sinners in need of the gospel. Since the lockdown and social distancing orders have been decreed in Mexico, we have gained more listeners. Churches have been ordered to shut down, and people are forced to stay at home, affording us a “captive” audience.

Imagine having your fears relieved as you listen to the gospel of Christ for the first time on Compassion Radio 104.3 F.M., or Charity Radio 104.1 F.M., or Strong Tower Radio 92.7 F.M., or Liberty Radio 88.5 F.M.

I would like to express my deepest gratitude for your prayers and support for this gospel outreach ministry. Please pray for us as we continue to build a new radio station in Olmos, Peru and one in Ocosingo, Mexico. We need approximately \$30,000 to be able to complete both radio stations.

I am convinced that radio is the best way to reach the most people with the gospel, so.....let's build another radio station.
